

## Bills letter to Lois, 4th stay at Towns

Dec 11th 1934. (Pg. 13)

Dear Lois -

I think I said  
that matters approached  
a crisis - The inevitable  
result of the first drink  
I should go to Towns  
I am going there -  
I also said that  
under no condition  
would I go to Towns  
I shall try to resolve  
these inconsistencies - On  
the one hand is the great  
pressure, on the other

Free 11, 1934  
I find this with  
instructions my work &  
was but I am in the  
last of course I see  
about going to Towns  
& I was going to meet  
the bills & be left here  
there only a few minutes

a glimpse of a new  
fine life - I shall not  
delay a moment. Yours  
you do not know how dearly  
Bill -
